

## CAPABILITY STATEMENT

### CONSULTING

TECBOMO LLC is a privately held technology services provider based in Waldorf, MD. We help customers bridge the gap between IT and their businesses. We partner with other leading technology companies to be able to provide mission critical technology services, solutions, and products to federal, state, and local government organizations, B2B, commercial and domestic clients. We offer a wide range of technologies to help improve overall performance and achieve greater business success.

We are a Minority Owned Small Business certified as a MDOT: MBE, DBE, SLBE, and SBR. TECBOMO is committed to excellence, creating innovative and flexible technologies into a practical and actionable way forward for our Federal, State and Local government, B2B, Commercial and Domestic clients.

What sets TECBOMO apart from the competition?

- Our Integrity
- Performance-Based Processes
- Integrated Solutions Teams and Partners
- Client Relationship Management
- Strategic Mix of Technology and Business

### CORE CAPABILITIES

Our technology business professionals combine traditional insights of a consultant firm, along with the ability to execute complex infrastructure solutions in the areas of:

- Technology
- Data Storage
- Managed Services
- Contracting & Procurement Acquisition

### Company Award

### TECHNOLOGY

#### Technology

Our Technology Services possess a culture of innovation that lies at our very core. We live and breathe change every day because we believe in doing whatever it takes to help organizations accelerate growth by connecting them to the right technology from beginning to end. Our services include:

- Automation & Orchestration
- Cloud Application Services
- Data Center Storage Hardware & Solutions
- Commercial Off the Shelf (COTS) integration
- Electronic Agreement Solutions (EAS)
- Optimized Identity & Credential Solutions
- Biometric and Device Protection Security Solution
- Agreement Cloud Solutions

#### Managed Services

Companies understand the value of certain technology for their organizations. Continuous development of technology is essential if there is value for the organization and the end user.

TECBOMO can assist in the following areas:

- Supply Chain Management
- Backup and Recovery
- Application Outsourcing
- Resource Management
- Infrastructure Outsourcing
- Printing Solutions
- Cloud Computing
- Networking
