

PEOPLE. PROCESS. STRATEGY TOGETHER WE RE-IMAGINED

TECBOMO® Limited Liability Company (TECBOMO LLC) is a privately held, minority-owned technology services and solutions provider headquartered in Waldorf, Maryland. Founded in November 2020, TECBOMO® empowers government agencies and enterprises with innovative IT solutions in the AI era. We bridge the gap between advanced technology and real-world organizational needs, delivering secure, scalable, and mission-critical services. We are committed to excellence and supporting Federal, State, and Local Government priorities. TECBOMO LLC operates with a governance first approach, aligning policies, procedures, and controls with applicable Federal, State, and Local regulatory requirements.

Differentiators

- Proven track record of successful implementations with Maryland State agencies, delivering measurable outcomes in automation, data insights, and efficiency.
- Strong ecosystem of over 100 master partner agreements with leading global technology providers.
- Minority-owned small business certifications (MDOT MBE/DBE/SLBE/SBR – 21-492) enabling priority in State procurements and diverse supplier programs.
- Agile, customer-focused approach combining consulting expertise with hands-on execution for complex government IT needs.
- Commitment to security, compliance (including accessibility standards), and innovation in AI/cloud technologies tailored to public sector missions.
- Local presence in Maryland with rapid response capabilities for State and local government requirements.
- Access to cooperative contract vehicles and procurement channels for cost-effective, compliant technology acquisition.
